

LESSON 2 – MIRACLES OF JESUS

JESUS HELPED PEOPLE WHO WERE SICK

1. The Healing of the Paralytic (Mark 2:1-12)
2. The significance healing miracles
 - a. Jesus healed the sick persons who had faith
 - b. The faith of our friends can also help us
 - c. Jesus' miracles prepared the way for the Sacraments

Jesus slowly prepared the Church for the Sacraments of Forgiveness and Reconciliation especially Confession and the Anointing of the Sick. If Jesus were to have instituted the Sacraments without a visible and gradual preparation, His disciples would never have understood the nature of the Sacraments.

The healing miracles have two parts:

- a) Inner Healing
- b) Outer Healing

Jesus helped people who were ill. Read the miracles in your Bible.
