

LESSON – 2

IDENTITY AND DEVELOPMENT

Q1: What is the purpose of our life?

God created us in His own image and likeness. We are all sons and daughters of God. Our purpose of life here on earth is to know Him, love Him and serve Him. Our ultimate objective is to reach God in Heaven.

Q2: Describe Character and Personality?

Character refers to the person's moral and ethical qualities. It involves qualities such as integrity, honesty, empathy, and responsibility.

Personality refers to patterns of thoughts, feelings, and behaviors that are relatively consistent over time and across different situations.

Personality and character goes hand in hand and we should always thrive to be a better person to achieve God's plan for our life

Q3: What is Uniqueness?

We are all born differently; We are different in characters and have different personalities; each one is unique in your own way as you are”.

God wanted you to be the way you are. With this uniqueness you are expected live a holy and peaceful life.
