Lesson 9 - I Choose To Love God

How do we love God?

We love him by praying to him. Prayer means talking and listening to God. When you love someone, you talk to him and listen. There are different ways to pray to God such as Adoration (loving God), Thanksgiving (thanking God), Petition (asking God for things we need) and Intercession (praying for others).

We show our love by going for Mass or even at Church, when we worship God with the other members. When we talk about God, we should talk with love and respect. If you love Jesus, you love God and if you love the Father, you love God. Even if you love the Holy Spirt, you love Jesus and the Father.

How do we love our neighbours?

We love our neighbours by being kind and helpful to everyone we meet. By loving and obeying our parents. By sharing things with other children and by telling the truth. We should pray for all those in need of God, those who are sick, poor, unhappy and even those that don't love God. We should treat people with the same love and kindness we show for ourselves, the same way we want good and not to be hurt, we should treat others.
